First Saturday of the summer sales: CB bank cards used for more than 30 million transactions

On Saturday 26 June last, the first Saturday of the sales, holders of **CB cards again effected more than 30 million transactions** by means of bank cards. This was the second historic record achieved, the first being recorded on Saturday 5 June 2004, the eve of Mother's Day, which was also notable for more than 30 million transactions involving CB bank cards.
